# Northern New England ENERGY CONFERENCE

On behalf of the Energy Marketers Association of New Hampshire (EMANH) and the Maine Energy Marketers Association (MEMA), you are cordially invited to attend the 4th Annual Northern New England Energy Conference (NNEEC) located at the Omni Mount Washington Resort in Bretton Woods, New Hampshire. The resort is nestled in the spectacular mountain region of the Northeast's highest peak - Mt. Washington, surrounded by 800,000 acres of magnificent mountain views and limitless outdoor recreation. We have secured luxury accommodations which boast panoramic views of the Presidential Mountain Range.

MEMA and EMANH are excited to once again bring the combined conference which enables vendors to spend more time with the fuel dealers and to bring in quality education sessions to all.

The conference starts on Sunday, June 14 with afternoon Board of Director's meetings followed by a reception and mountain view dining. Exhibitors can start setting up their booths as early as 10:00 am. Evening activities include a corn hole tournament, s'mores by the fire pits, and great mountainside conversation and relaxation!

Education sessions will take place on Monday, June 15 with discussions pertinent to the fuel industry. Vendors will be exhibiting inside and outside both Sunday and Monday. Fuel dealers will have ample one-on-one time with the exhibitors.

There will be a "Vendor Blender" cocktail reception and clam and lobster bake Monday evening followed by association awards and fireworks!

On Tuesday a relaxing day of golf is planned at the 18-hole Mount Washington Course, which is on property, starting at 8:00 am. This will be immediately followed by a lunch for the golfers.

This event is a great opportunity to network with other Maine and New Hampshire home heating fuel dealers and mingle with our valued vendors, while keeping up-to-date with industry information.

Help support the *Fourth Annual* Northern New England Energy Conference and stay connected to our industry. Please return registration forms by **May 26, 2020**. We look forward to bringing our industry together again!

Join us for three rousing and amazing days! See you at the Mountain!
